

Golden Days – NGC President's Project 2009 – 2011

2009-2010 NGC President's Project Golden Days received 255 Award Summaries. Congratulations to each of you for saying to 'A Senior Member of your Garden Club ... Thank You ... for the work you have done in the garden club, city or community' and for planting Daffodils in their honor. Especially, thank you to the clubs, councils and states who sent an Award Summary to me. The projects were varied and fantastic.

It's now time to encourage participation once again in this beautiful project. There are 4 categories to apply in:

- A. Senior Plantings
- B. Youth Plantings
- C. Mass Plantings
- D. Potted plants

If a Daffodil **will not** grow in your area, yellow Marigolds and yellow Daylilies will be approved.

Two outstanding Daffodil Collections, Master Daffodil Blend and Golden Harvest are offered through Colorblends. Order early as bulbs will be available while supply last.

Award Application: One page Summary, may include up to three photos. Include at top of page: Name of Garden Club; city, state, region; date. Summary should be short description of project. **Deadline: April 1, 2011...it is not necessary to wait until deadline to submit. Send to:**
